

*A
Visiting
Santa Claus
Story.*

Christmas is coming on December 25th.

*Sometimes I can go to visit Santa Claus
before Christmas is here.*

I can call him Santa Claus or just Santa.

*Santa Claus visits different places
before Christmas.*

*Sometimes I will go see Santa at the
mall.*

*Sometimes I will go see Santa at
my church.*

*Sometimes I will go see Santa Claus
at my parents' work.*

*Santa will visit different places where I
can go to see him.*

*Sometimes when I go to see Santa Claus
there is Christmas music playing.*

*I can wear headphones if the noise is
too loud.*

Sometimes when I go to see Santa Claus there are bright lights, flashing lights or flickering Christmas lights.

I can wear sunglasses or a hat with a brim if the lights bother me.

There will be other children to see Santa Claus.

I have to wait for my turn to see Santa.

When it is my turn to visit Santa, I can sit on Santa's lap.

Or I can stand next to Santa.

*Santa Claus might say, "Ho, Ho, Ho."
That means Santa is merry and is
laughing with me.*

*Santa and his helpers might say, "Merry
Christmas" or "Happy Holidays."*

*I can reply, "Merry Christmas" or,
"Happy Holidays."*

- 
- *Santa Claus might ask me, “What do you want for Christmas?”*

I can tell him what I want as a Christmas gift.

I can tell him if I want a toy, or a book, or a game, or maybe clothes.

My photograph will be taken when I visit Santa Claus.

I can look at the camera and smile for the photograph.

Visiting Santa Claus is exciting.

Sometimes I will need to take a break.

*I can take five deep breaths in a row
when I am too excited.*

One, two, three, four, five.

I can have fun visiting Santa Claus.

The end.
